A Gem of a night at the Jewel of India !

St Wilfrid Lodge enjoyed it's first ever 'pop-up' event [an event arranged at short notice for limited numbers], a Curry Night at Otley's Jewel of India. Manager Safeer arranged an excellent four course meal which was thoroughly enjoyed by the 26 members, partners and friends who came along to support Lodge Master Gerry and his wife Gillian. Another great evening of good humour, great company & delicious food! Where next?
