

St Wilfrid Lodge NEWS

Edition No. 14

A presentation not to forget!

Rodolfo Paniagua continued the season of excellent presentations at St Wilfrid with a fascinating talk about the the history and symbolism of the Forget-me-not badge. A proud wearer of the badge himself, Rodolfo traced the history of the badge as a Masonic symbol in Europe, the persecution of Masons in Nazi Germany and its recognition as a Masonic emblem together with its wider use today. The talk was complemented by an excellent lasagne, a full meeting room and a very enjoyable evening for all!
