## St Wilfrid Enjoys the Festive Cheer

Boiler problems caused a chilly start as over fifty Brethren, wives, partners and friends gathered for the Christmas Lodge at Castle Grove but things quickly warmed up when a very convivial festive evening began. An excellent Christmas meal was complemented with a festive quiz, carols heartily sung and of course excellent company! The Christmas raffle added icing to the cake, raising £140 for the Master's Charity, The British Heart Foundation. A very enjoyable evening all round! Merry Christmas and all the best for 2016!
