Freemasonry & The Holocaust

The Brethren of St Wilfrid Lodge were treated to a fascinating, informative and very thought-provoking talk from W.Bro. Tony Kaddish P.G.St.Br. of Hadassah Lodge No. 4871 entitled Freemasonry and the Holocaust at their July Regular meeting. W. Bro. Kaddish answered many questions raised by the subject after the talk. St. Wilfid Lodge were then pleased he, together with a number of visiting Masons, was able to join them for a very enjoyable meal. The Lamb Shank [and alternative Monk Fish] proved very popular!
