## St Wilfrid Christmas Celebrations!

St Wilfrid Lodge enjoyed their festive celebrations in style with sixty Brethren, wives, partners and friends gathered for the Christmas Lodge at Castle Grove. Accompanied by accomplished musician Jacob Savage, the evening got off to an rousing start with heartily sung 'Carols Round the Tree'. The very convivial festive evening continued with an excellent Christmas meal whilst Jacob entertained. The occasion was complemented with a festive quiz [no, my table was not primed with the answers !], the seasonal raffle and of course excellent company! A very enjoyable evening all round !
