## St Wilfrid Lodge Supports Disability Access at Local Church

Several members of St. Wilfrid Lodge, along with their wives, attended the Morning Service at St. Mary's Church, Garforth, recently when the Master, W. Bro. Sudarshan Hargun, presented a cheque for £3000 from the Provincial Grand Master's Fund to the Rector, the Rev'd. Gordon Cooper. Garforth Parish Church has recently completed a restoration and renovation project costing £80,000 which has included improved access for the disabled and a new loop sound system for the deaf.
