St Wilfrid Clan Gathers to Celebrate Burns

The St Wilfrid Clan gathered again in numbers on Burns Night with Brethren, wives, partners and friends meeting to enjoy an excellent meal with Haggis, Scottish beef and salmon on the menu. We were again pleased to welcome W. Bro Norman Forsyth to address the Haggis and give the traditional toast. Another thoroughly enjoyable night in great company!

A raffle in support of the Master's charities, St Gemma's Hospice and Yorkshire Cancer Care, raised a very pleasing £194.
