Datsmaboy installed as Master

St Wilfrid Lodge were delighted to welcome almost seventy Brethren and visitors to witness and celebrate the installation of its new Master, Chris Chappell. We were very pleased to Welcome W.Bro John Webb, PPSGW, the personal representative of the Provincial Grand Master together with numerous distinguished guests and friends to a memorable ceremony.

The ceremony was a very memorable one for Chris as his dad Frank was not only there to witness the event but also to formally present Chris at the ceremony. Later he also proposed the 'Toast to the Master', a very interesting and amusing toast it was too - the reference to 'Datsmaboy' refers to the dog Buster and his son in 'Tom & Jerry'!

Chris succeeds W.Bro Gilbert Jarrett who led an excellent ceremony. Gilbert has enjoyed a very successful year as Master and Chris is looking forward to building upon his achievements in the coming year.

Brethren and visitors then had the opportunity to enjoy each other's company, catch up with friends and make new ones over a delicious meal in the Castle Grove Ballroom. A super start to another new Masonic year at St Wilfrid Lodge!
