Despite an early shower the sun shone on the St Wilfrid Golfers again this year as they met to battle it out for the Cyril Green Trophy at Garforth Golf Club. In a keenly fought competition in Adrian Goldthorpe retained the trophy emerging the worthy winner.

The golfers, Chris Chappell, Frank Chappell, Graham Fuller, Adrian Goldthorpe, Mel Harmer, Brian Mason, Stephen Till and Graeme Webber, were then joined by wives, friends and Brethren for a delicious celebratory dinner at Sand Moor

Golf Club. The party of 32 had a very enjoyable evening in excellent company and look forward to meeting up again next August for this event which has been regularly held during the summer recess since its inception in 1955.
