Edition No. 70

## Curry Night starts the new Masonic Year!

Stefan & Ann's social calendar got off to an excellent start as St Wilfrid Lodge, wives partners & friends enjoyed a sumptuous four course Indian meal at The Jewel of India in Otley. The event proves so popular, it has now almost become a St Wilfrid institution. Safer and his staff again looked after us

really well as we all enjoyed great company & good food at the first of numerous excellent social events planned for this Masonic year.
