Martin House Supported

Immediate Past Master Chris together with his wife Sarah were delighted to visit Martin House Children's Hospice to present them with a cheque for £800. The funds were raised as part of the St Wilfrid Lodge Master's Charity 2018-2019 and continues the ongoing support the Lodge have given Martin House over a number of years. A further £800 is shortly to be presented to Prostate Cancer UK, the second of Chris's Master's Charities. A big thank you for everyone's very generous support, it is greatly appreciated.
