

St Wilfrid Lodge NEWS

Edition No. 78

Welcomes all round!

On a busy evening at St Wilfrid Lodge the Brethren were delighted to welcome their newest Brother, James Calam, into the Lodge. For their first full ceremony of the Masonic year, the Lodge were very pleased to welcome a large group of distinguished visitors including the Assistant Provincial Grand Master, W.Bro Ian Lewis, who was visiting in a private capacity.

We are all pleased to congratulate James and wish him many happy and successful years with us.

We were also delighted to welcome a new joining Brother, Bro Richard Barrow, who has joined us from his Mother Lodge in London after moving into the Leeds area. The warmest of welcomes Richard, may you also enjoy many happy years with your new friends and Brethren in St Wilfrid Lodge.

The Worshipful Master, W.Bro Stefan Kurth, wishes to thank and congratulate his team and everyone who contributed to the ceremony, making this such a memorable occasion for both James & Richard. Thanks also to all our visitors who came along to support St Wilfrid Lodge and it's two newest members, we are always delighted to welcome visitors to the Lodge and hope to see you again soon.

To conclude a busy evening there was of course an excellent festive board with good food, great company and excellent fellowship!
