## Cyril Green Trophy Hat-trick for Chris

**Chris being presented with the trophy by Golf Secretary Brian Mason and W.M Stefan Kurth**

Despite poor weather during the week, the sun shone on the St Wilfrid Golfers again this year as they met to battle it out for the Cyril Green Trophy at Garforth Golf Club. In a keenly fought competition Chris Chappell won the trophy for a third time, having previously been champion in 2015 & 2016.

The golfers, Chris Chappell, Graham Fuller, Adrian Goldthorpe, Mel Harmer, Brian Mason, Stephen Till and Graeme Webber, were then joined by wives, friends and Brethren for a delicious celebratory dinner. The party of 28 had a very enjoyable evening in excellent company and look forward to meeting up

again next August for this event which has been regularly held during the summer recess since its inception in 1955.

Thanks to everyone who was able to come along to take part or support the event, to Golf Secretary Brian and to Adrian for organising the event with Garforth Golf Club. I am also delighted to report that thanks to Adrian the green fees totalling £140 have very generously been donated to this year's

Master's Charities, the Leeds Children's Heart Surgery Fund and the William Merritt Centre.
